ABOUT RED JACKET OPTIONAL

Join us on October 19, 2024, for Red Jacket Optional, our annual gala where we celebrate the power of music to inspire and change lives. Our past serves as the score for our future as the voices of more than 3,000 Chicago youth come together in harmony. It is in the melodies we create, rhythms we share, and reflections on how far we have come that true beauty emerges. Be a part of our storied history and take action to shape our collective future as we strive to create a harmonious world through the power of music. Together with the city's top business, civic and cultural leaders, and influential community members, we will propel the next generation of leaders to create a world where every voice is heard and every young person is given the opportunity to shine.

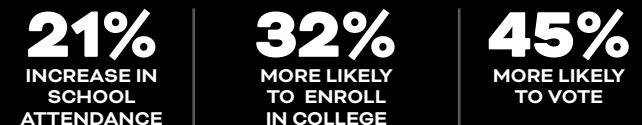

ABOUT UNITING VOICES CHICAGO (FORMERLY CHICAGO CHILDREN'S CHOIR)

Founded in 1956 and inspired by the burgeoning Civil Rights Movement, Uniting Voices Chicago (formerly Chicago Children's Choir) is rooted in the belief that music is the most powerful vehicle for fostering mutual understanding and respect between young people of all races, ethnicities, socioeconomic backgrounds, religions, gender identities and sexual orientations.
